RACE CLASSES:

As the numbers grow, we will be able to offer light and heavy classes to keep competition fair. These classes are all eligible for season end prizes.

POINTS STRUCTURE:

The base structure is as follows: 1st place = 20, 2nd = 18, 3rd = 17, 4th = 16, 5th = 15, etc .

- In addition, 1 point will be awarded for each entry for that league date. This is an attempt to weight events with a large number of participation. Example: 12 entries, 1st place would receive 20 + 12 points for a total of 32 points for that event.
