ENGINE TRADE-IN CAMPAIGN

Dear Kart Racer,

It has NEVER been a better time to purchase a Rotax engine package. Rotax-BRP has launched a global campaign to allow kart racers to purchase a NEW Rotax engine package (MicroMax, MiniMax, Junior Max, Senior Max or DD2) and receive CASH BACK for any complete used engine package you trade-in.

This special promotion is designed to INCREASE ROTAX OWNERSHIP by offering a CASH VALUE for complete used engine trade-ins from August 1, 2010 to November 30, 2010. Those hanging on to older yamaha engines, 4-cycle engines, comer engines or others may be the perfect customer as a cash-incentive is now available for the next 45+ days.

For more information on the promotion and trade-in, or to locate your nearest participating dealer, contact us at mrp@qtm.net or via phone at 269-756-9133.

*Rules:

- Trade-In offer valid toward new Rotax engine package only (Micro, Mini, Jr., Sr. or DD2)
- Only one old kart engine will be exchanged per purchase
- Competitor engines are accepted (all types)
- All trade-ins must be complete (carb, exhaust, etc)
- Maximum CC of 125cc for trade-in value or 270cc for 4-cycle engines
- Offer limited to only participating distributors/dealers
- Offer valid from August 1, 2010 to November 30, 2010
